

SESSION GUIDE

Moore Studio
FINE ART PORTRAITS

215 N. Liberty Street
Jackson, TN
731.421.2622

SESSION OPTIONS

Signature **\$150**

This exclusive session is for the senior who loves variety. Our Signature Session features the following sets:

- Formals in tux or drape
- Cap and Gown
- Extended Indoor (2 outfits)
- Extended Outdoor (2 outfits) in a location of your choosing.

You may also include up to two friends for a few poses. You may add additional locations for \$50 each.

Standard **\$60**

This session includes all of the following sets:

- Formals in tux or drape
- Indoor session (one outfit)
- Cap and Gown
- Outdoor session (one outfit)

This session will give you about 30 images from which to choose and we will send your yearbook selections to your high school's yearbook sponsor.

Extended Session: Two Options **\$80**

Indoor: This portrait session includes everything in the standard session and gives you more backgrounds and a second clothing change during the indoor set.

Outdoor: The extended outdoor session also includes all sets from the standard session plus an extra outfit change for your outdoor set.

Choose one of our extended sessions and you'll have more images and variety from which to choose than the standard session allows.

SCHEDULE YOUR SESSION

To book your session:

1. Go to themoorestudio.com, click "Schedule Your Session" and complete the process. Payment is due at the time of scheduling.
2. If you need assistance, please call the Moore Studio at 731.421.2622.

Sessions at the School: We offer a limited session at the school on specific days for students who are unable to make it to our Jackson studio. This session is booked online. Look for the session with the label "McKenzie-At the School." This session will only be formals and one background for casuels. This limited session is \$35.

DATES TO NOTE:

Schedule appointments **between May 16 and June 16** for discounted standard session of \$50. Senior sessions should be completed **by the end of July**. After school begins, a rush fee is applied and session times and types become limited and may not be available. All yearbook selections must have been submitted **by September 30**.

OUTFIT SUGESSTIONS

Clothing: come ready for your indoor casuals and bring a second outfit (on hangers) for your outdoor casuals. Choose clothing that fits you well and is wrinkle-free. Dark colors and solids photograph nicely as do button-down shirts and dark-wash denim.

Shoes: Remember to bring shoes appropriate for both indoor and outdoor portraits. Unless you're wearing a sports uniform, leave the gym shoes at home. Please, no flip flops or sandals; they simply don't photograph well.

GUIDELINES

- Arrive early for your session.
- Bring meaningful items to use as props. Musical instruments, sports equipment, or anything that reveals your unique personality and interests are all great.
- Bring one friend or family member to enrich your experience. However, due to insurance and space restrictions only one person allowed in portrait area with senior.
- Don't stress about your complexion. We'll edit blemishes.
- Don't get a sunburn or prominent tan lines. They will show.

THE BASICS

It's time; your graduation day is just around the corner! We at Moore Studio are looking forward to working with you to make your senior portrait session an enjoyable experience.

YOUR FORMAL

Moore Studio will provide everything you'll need for your formal—tux jacket, shirt and bowtie—we've got it all.

YOUR CAP & GOWN

Cap and gown portraits will be made at the school at the end of the year once all seniors have received their cap and gowns.

HAIR

We suggest a haircut about a week prior to your portrait session. If you like to wear your hair longer, please make sure that it will not hang in or over your eyes.

Also, don't make any drastic changes to your hair style in the days just before your session.

While shaving your head in the summer may feel good if you don't always wear your hair that way you may not be as happy with your portraits.

BEARD

Unless you have a well-groomed beard, please come to your session clean shaven.

Extra fees will be charged if we have to edit stubble and scruff.

For the girls

HAIR & MAKEUP

Hair style is really a matter of personal preference. While it's okay to get a trim and/or color a week or two prior to your portrait session, please do not make drastic changes to hair style in the days just before your session.

Bring a brush, clips, hair spray or whatever you might need for a quick touch-up.

Makeup should be only slightly heavier than you normally wear it. A translucent powder can help reduce shine.

Nail polish should be well done. Avoid bright colors and chipped polish.

YOUR FORMAL

We provide a drape in your school's color. Bring a camisole/ tank top to wear under it and perhaps a strapless bra. Be sure to bring appropriate jewelry too.

YOUR CAP & GOWN

Cap and Gown Portraits will be made at the school at the end of the year when all seniors have received their caps and gowns.

THE BASICS

It's time; your graduation day is just around the corner! We are looking forward to working with you and want to make your senior portrait session an enjoyable experience.

GUIDELINES

- Arrive early for your session.
- Bring meaningful items to use as props. Musical instruments, sports equipment, or just about anything that reveals your unique personality and interests are all great.
- Bring one friend or family member to enrich your experience. However, due to insurance and space concerns only one person allowed in portrait area with senior.
- Don't stress about your complexion. We edit blemishes to help you look naturally flawless!
- Don't get a sunburn or prominent tan lines. They will show.
- The studio is in Jackson at the corner of E. College Ave. and Liberty Street 215 N. Liberty St.

YOUR CASUALS

Clothing: Choose clothing that complements your figure. Long or 3/4 sleeves are preferable, (even in July) unless you wish to feature your armpits in your portraits. Shorter and sleeveless tops will eliminate many of your posing options!

Accessories: Scarves and jewelry are great! Select items that enhance your outfit but that will not detract from the important subject – you!

Shoes: We suggest heels. Even a little heel will give you a lift and make you look incredible! Nice flats can also work. Please, do not wear flip flops as they simply do not photograph well. And, remember shoes for each outfit.
