We just had my daughter's senior pictures done at the studio yesterday. The staff was very pleasant and well organized. We were surprised at how many pictures were made. Very impressed with what I could tell watching them take the different pictures as well as options on the set ups. Then we went to the beautiful downtown and took several more outside. Thank you for starting off our senior year with good memories.

ABOUT US

Photographing high school seniors is our specialty. We have been focused on seniors for over one hundred years. We have gained a lot of experience through the years. No one in West Tennessee has more experience creating compelling, personalized senior portrait art than the professionals at Moore Studio Fine Art Portraits.

THE EXPERIENCE

Our standard session includes three elements: formals, indoor portraits, and an outdoor session in our photography garden. Our most popular session is our extended sessions adds an additional outfit to the two for the standard session, and can be done inside on additional backgrounds or outside--you pick.

Kick it up a notch with a Signature Session: two indoor outfits, two outdoor outfits and also the ability to go on location to destinations of your choice .if you choose.

For all sessions, we'll start in the studio for some modern and fun indoor images, then we head out to our downtown Jackson garden you seniors have a true model experience.

SENIOR ANNOUNCEMENTS

You'll want to share the good news of your graduating senior with friends and family, so let us take care of this part for you! We'll choose your favorite images at your ordering session and design a card that you love!

ALBUMS

Our heirloom quality albums are a must for every senior. These beautiful albums will be passed down through generations. When she's away at college and you're missing her, you will carefully look through every photo that captured her personality so well and you'll smile. When her daughter is asking her about her high school years, they'll look through the album together and share stories. When her great-granddaughter wants to know who she resembles most, she'll be able to flip through the pages of this legacy piece to see what your senior looked like as a teenager.

WALL ART

From canvas to metal to acrylic, we'll help you choose the medium that will best display your favorite images for all of your guests to see. We can help you assemble a collection for your wall that will be a beautiful centerpiece for your room. We can even show you what your wall art will look like on your own wall as we assist

WHAT TO WEAR

Most clients bring a variety of dressy and casual outfits. Bring more than enough, and we'll look through them together to choose the best options for each location. Don't forget your accessories like hats, sunglasses, and jewelry! If you have a favorite t-shirt or hat for your future college, bring it too!

It's best to avoid prints, stripes, and patterns. Solid colors and darker colors photograph best. Layering is fantastic to easily change up your look, and we love textures! Make sure you're comfortable in whatever you choose. Bring shoes and appropriate undergarments for each outfit too!

We encourage seniors to bring items related to their interests and hobbies: Jerseys, uniforms, instruments, sports equipment, gear related to outdoor hobbies.

3 THE PREMIERE

Approximately 10 days after your session, you'll come to the studio to view and order your photos as well as pick out yearbook selections if Moore Studio is providing images to the yearbook. To be best prepared for this appointment, decide which walls you'd love to fill with your custom artwork, and make a list of friends and family that would want gift prints of your senior. All decision makers should be present at the premiere, as only one is included in your session. The premiere typically lasts about 60 minutes if you're well-prepared.
